### Reference letter for Letavertes Project, Hungary

To Whom It May Concern:

We are pleased to confirm that HEC SOLAR LTD with Headquarters in Blagoevgrad, Bulgaria, carried out as contractor the mechanical works for the construction and commissioning of the 6.2MWp Letavertes Solar Power Plant and its connection to the grid. The works were performed and completed by HEC SOLAR LTD in a safe manner, in accordance with the legal requirements, diligently, on schedule, within the agreed terms and to the full satisfaction of ABO Wind. ABO Wind considers HEC SOLAR to be a really professional and capable company. We have no hesitation in recommending the company as highly professional and reliable contractor and partner for PV solar projects of any size and complexity. For any further information, please feel free to contact me at +49 (152) 567 11 449.

Yours sincerely

Panagiotis Sarris
