## Reference Letter

*To whomever it may concern:*

HEC SOLAR LTD with Headquarters in Blagoevgrad, Bulgaria, carried out as subcontractor all relevant mechanical works for the construction of the **28 MW Megala Solar Power Plant** in Greece.

HEC SOLAR worked with highest quality and professionalism, offering qualified specialists and modern equipment. The company provided excellent organization during the process, respecting all safety measures.

We recommend the services of HEC SOLAR LTD to any contracting authority, who wishes to obtain a professional, quick and reliable implementation of its solar project.

Yours sincerely

Matthias Schwärzle
